commanliness In todays episode, Im welcoming back one of my all-time favorite guests, writer Steven Pressfield.. Steven is the author of several popular novels including The Legend of Bagger Vance, Gates of Fire, and The Virtues of War.. I felt like I was watching one of those gritty movies from the 70s like The French Connection while I was reading his novel.

Hes also written several popular non-fiction books on the creative process, like Do the Work and The War of Art, which cover how to overcome what he calls the Resistance.. Its this negative force that kicks in any time we try to move from a lower level to a higher level, or enact any kind of creative instinct.. We then talk about Steves early days as a writer and the struggles he went through in becoming a pro.. Steven Pressfield Podcast Trial By VisitingIts based on his early days as a writer in 1970s New York City and provides the backstory of how he learned to overcome the Resistance in his own life.
